§ 1.912a Collection by offset—from VA benefit payments.

(a) *Authority and scope.* VA shall collect debts governed by § 1.911 of this part by offset against any current or future VA benefit payments to the debtor. Unless paragraphs (c) or (d) of this section apply, offset shall commence promptly after notification to the debtor as provided in paragraph (b) of this section. Certain military service debts shall be collected by offset against current or future compensation or pension benefit payments to the debtor under authority of 38 U.S.C. 5301(c), as provided in paragraph (e) of this section.

(b) *Notification.* Unless paragraph (d) of this section applies, offset shall not commence until the debtor has been notified in writing of the matters described in § 1.911(c) and (d) and paragraph (c) of this section.

(c) *Deferral of offset.* (1) If the debtor, within thirty days of the date of the notification required by paragraph (b) of this section, disputes, in writing, the existence or amount of the debt in accordance with § 1.911(c)(1), offset shall not commence until the dispute is reviewed as provided in § 1.911(c)(1) and unless the resolution is adverse to the debtor.

(2) If the debtor, within thirty days of the date of notification required by paragraph (b) of this section, requests, in writing, waiver of collection in accordance with § 1.963 or § 1.964, as appli-

cable, offset shall not commence until the Department of Veterans Affairs has made an initial decision on waiver.

(3) If the debtor, within thirty days of the notification required by paragraph (b) of this section, requests, in writing, a hearing on the waiver request, no decision shall be made on the waiver request until after the hearing has been held.

(4) VA will pursue collection action once an adverse initial decision is reached on the debtor's request for waiver and/or the debtor's informal dispute (as described in § 1.911(c)(1)) concerning the existence or amount of the debt, even if the debtor subsequently pursues appellate relief in accordance with parts 19 and 20 of this title.

(d) *Exceptions.* Offset may commence prior to the resolution of a dispute or a decision on a waiver request if collection of the debt would be jeopardized by deferral of offset. In such case, notification pursuant to § 1.911(d) shall be made at the time offset begins or as soon thereafter as possible.

(Authority: 38 U.S.C. 5314, Ch. 37)

(e) *Offset of military service debts.* (1) In accordance with 38 U.S.C. 5301(c), VA shall collect by offset from any current or future compensation or pension benefits payable to a veteran under laws administered by VA, the uncollected portion of the amount of any indebtedness associated with the veteran's participation in a plan prescribed in subchapter I or II of 10 U.S.C. chapter 73.

(2) Offsets of a veteran's compensation or pension benefit payments to recoup indebtedness to the military services as described in paragraph (e)(1) of this section shall only be made by VA when the military service owed the debt has:

(i) Determined the amount of the indebtedness of the veteran;

(ii) Certified to VA that due process in accordance with the procedures prescribed in 31 U.S.C. 3716 have been provided to the veteran; and

(iii) Requested collection of the total debt amount due.

(3) Offset from any compensation or pension benefits under the authority of 38 U.S.C. 5301(c) shall not exceed 15% of

§ 1.913 Liquidation of collateral.

(a) VA should liquidate security or collateral through the exercise of a power of sale in the security instrument or a nonjudicial foreclosure, and apply the proceeds to the applicable debt, if the debtor fails to pay the debt within 180 days after demand and if such action is in the best interest of the United States. Collection from other sources, including liquidation of security or collateral, is not a prerequisite to requiring payment by a surety, insurer, or guarantor, unless such action is expressly required by statute or contract.

(b) When VA learns that a bankruptcy petition has been filed with respect to a debtor, VA should seek legal advice from VA's General Counsel or Regional Counsel concerning the impact of the Bankruptcy Code, including, but not limited to, 11 U.S.C. 362, to determine the applicability of the automatic stay and the procedures for obtaining relief from such stay prior to proceeding under paragraph (a) of this section.

§ 1.914 Collection in installments.

(a) Whenever feasible, VA shall collect the total amount of a debt in one lump sum. If a debtor is financially unable to pay a debt in one lump sum, VA may accept payment in regular installments. VA should obtain financial statements from debtors who represent that they are unable to pay in one lump sum and independently verify such representations whenever possible. If VA agrees to accept payments in regular installments, VA should obtain a legally enforceable written agreement from the debtor that speci-

fies all of the terms of the arrangement and contains a provision accelerating the debt in the event of default.

(b) The size and frequency of installment payments should bear a reasonable relation to the size of the debt and the debtor's ability to pay. If possible, the installment payments should be sufficient in size and frequency to liquidate the debt in 3 years or less.

(c) Security for deferred payments should be obtained in appropriate cases. However, VA may accept installment payments if the debtor refuses to execute a written agreement or to give security.

(a) Except as otherwise provided by statute, contract, or other regulation to the contrary, and subject to 38 U.S.C. 3485(e) and 5302, VA shall assess:

(1) Interest on all indebtedness to the United States arising out of participation in a VA benefit, medical care, or home loan program under authority of Title 38, U.S. Code.

(b) Every party entering into an agreement with the Department of Veterans Affairs for repayment of indebtedness in installments shall be advised of the interest charges to be added to the debt. All debtors being provided notice of indebtedness, including those entering into repayment agreements, shall be advised that upon the debt becoming delinquent, or in the case of repayment of already delinquent debts, interest and the administrative costs of collection will be added to the principal amount of the debt.

(c) The rate of interest charged by VA shall be based on the rate established annually by the Secretary of the Treasury in accordance with 31 U.S.C.
